

PROJECT MANAGEMENT APPRENTICESHIP PROGRAM

HOW OUR PROGRAM PREPARES YOU FOR THE WORKFORCE

Are you ready to take the first step toward a fulfilling career in project management? Look no further than Cavalry's pre-apprenticeship to apprenticeship program! Here's what you can expect from our program:

- **Earn while you learn:** Our program offers participants the opportunity to earn a salary while gaining valuable project management experience and knowledge.
- **Learn and grow:** With Cavalry, you'll have access to invaluable project management skills and mentorship from members of the project Management Institute to help you develop your skills and advance your career.
- **Practical experience:** Our program provides hands-on project management experience through community-based projects, so you can put your skills into practice right away.
- **Career roadmap:** We'll work with you to develop a roadmap for your career that maximizes your project management certification and training, so you can achieve your professional goals.
- **Certification preparation:** We'll prepare you for project management certifications that will open doors to exciting job opportunities, with salaries ranging from \$45,000 to \$100,000+ per year.

Join us today and start your journey toward a successful career in project management with Cavalry!
